NOTICE OF CORRECTION

Notice is hereby given that Application for Permit No. 75-14607 in the name of Joe and Sandie Engle, 311 Ave A, Salmon ID 83467 was advertised incorrectly on September 3 and 10, 2009. It was advertised with the point of diversion in T21N R22E S6 SENE and it was supposed to be T21N R22E S6 SENW.

This application proposes the diversion and use of water from Jesse Creek tributary to Pollard Creek to the Salmon Wild & Scenic River. The decreed minimum stream flow rights for the federal Wild & Scenic rivers are subordinate to certain categories of water use and to specific amounts of water use established after the minimum stream flow. The water use proposed in this application will benefit from the subordination provision because the diversion rate .04 cfs and 1.9 acres will be applied to the subordination amounts specified in the decree for the Wild & Scenic River listed above.

Any protest against the approval of this application must be filed with the Director, Dept of Water Resources, Eastern Region, 900 N Skyline Dr, Ste A Idaho Falls, ID 83402 together with a protest fee of \$25.00 for each application on or before November 23, 2009. The protestant must also send a copy of the protest to the applicant.
