Steve,

I apologize, I had intended for these to be returned as Dan and I had discussed. I believe this is the entire package that he gave to me. However, if you find that something is missing feel free to give me a call.

I will also let you know the determination from our client as well as Canyon County Water Company as to their preference regarding the policy modification information you emailed me today.

-Dean Cardwell

* ORIGINAL Appl. was sent back to consultant
& returned by him today
