Re: Assignment of Permit #63-32235

Ms. Hersley:

Following up on our conversation, this letter is confirmation that T-O Engineers requested that South Channel LLC, current permit holder according to IDWR records, execute an Assignment of Permit form to assign the permit to Orion Holdings LLC, current owner of the Shores Development that is the place of use for the permit. T-O Engineers was unable to obtain the requested signature because South Channel LLC no longer exists, see attached Articles of Dissolution.

Also attached for your information is an Assignment and Bill of Sale wherein South Channel LLC released its interest in the Shores Development to M & I Marshall and Isley Bank, including permit # 63-32235 as indicated in Exhibit A of the Assignment and Bill of Sale. As indicated in our October 20, 2009 letter to Lori Harris at IDWR, Orion Holdings LLC subsequently acquired the Shores Development from M & I Marshall and Isley Bank as shown on the Special Warranty Deed attached to the previously submitted Change of Ownership Application for Water Rights 63-4694, 63-17863, 63-31312, 63-31313.

Please consider this letter as a request on behalf of our Client, Mr. Don Newell of Orion Holdings LLC, to assign Permit # 63-32235 to Orion Holdings LLC of 618 N. Pioneer Oak, Salt Lake City, Utah, 84108.

Sincerely,
T-O Engineers

Steven E. Holt, P.E.

cc: Don Newell, Orion Holdings LLC.
