RE: CHANGE OF OWNERSHIP FORM DATED AUG. 6, 2009

The department acknowledges receipt of the above ownership change form but we need additional information to complete the change. The water rights are in the name of Edward and Drusilla Oppedyk and not the family trust. In order to put the water rights in the name of the family trust, we need a copy of the legal documentation that put this property in the name of the family trust.

We have a Warranty Deed for Township 4 South, Range 6 East Section 32, Southwest quarter in the name of the family trust but we need documentation for the remainder of the property.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, two of the water rights listed on the change of ownership are parent rights. You have also listed the "children" on the form. The parent rights are closed and the ownership cannot be changed. so you are entitled to a \$50.00 refund which we will send when the change of ownership is complete. I have attached a copy of the first page of the form you sent which has the water right numbers listed.

If you have any questions, please call me at 208-287-4967.

Sincerely,

Sandy Egbert
