Dear KariLynn:

RE: Notice of Change In Water Right Ownership – Oppedyk/Albers

Enclosed is the original Notice of Change in Water Right Ownership with Exhibit A.

Exhibit A contains the changes that have to be made to the water rights, which you and I have discussed on many occasions.

I am also enclosing a check in the sum of \$225.00, which represents the fee for the splitting of the water rights.

I have enjoyed working with you. I am going to try to find another client with similar water right problems so we can continue but then, I just remembered, you are retiring very shortly.

I appreciate you, your sense of humor, and assistance in this matter.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Bill', which is the signature of William R. Hollifield.
