Re: Withdrawal of Notice of Protest:

Dear Sharla:

On November 28, 2008, the Idaho Conservation League ("ICL") filed a timely Notice of Protest seeking review of water rights transfer application number 75147. That application requested the transfer of water rights to Southeast Idaho Energy, LLC. At this time ICL withdraws its Notice of Protest for transfer # 75147 with prejudice. Since the filing the Notice of Protest, the parties resolved the matter satisfactorily and no further review by the Department is requested.

Sincerely,

Justin Hayes
