RE: Assignment of Permit for Water Right No. 65-22918

Dear Water Right Holder:

The department acknowledges receipt of your statement of completion ("proof") form along with an assignment of permit form filed with the department on November 27, 2009. This letter is to inform you that the proof statement you submitted to the department came in with the correct license examination fee of \$125.00 which is based on your maximum diversion rate of 1.12.cfs. The department is unable to process the proof form in the name of City of Emmett before the ownership change (or) assignment of permit.

In order for the department to process the assignment of permit and change the name of the permit holder to City of Emmett, a \$25.00 filing fee must be submitted. Please submit the appropriate filing fee for the assignment.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

I will hold this matter for your response for fifteen (15) days from the date of this letter.

If you have any questions, please contact me at (208) 287-4945.

Sincerely,

Darla Block, Technical Records Specialist
Water Allocation Bureau
