WATER RIGHT NO. 36-16759
As Modified by Transfer No. 75753

CONDITIONS OF APPROVAL

1. Rights 36-16759 and 36-16761 when combined shall not exceed a total diversion rate of 0.30 cfs.
2. Right No. 36-16761 is an enlargement of this right pursuant to Section 42-1426, Idaho Code.
3. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 130.
4. Prior to diversion and use of water under Transfer approval 75753, the right holder shall install and maintain acceptable measuring devices at the authorized points of diversion, in accordance with Department specifications. If the well located in the SE/NE/NW Sec. 36 T. 7S R. 24E is used for irrigation, separate flow meters shall be installed to record the amounts of water used for irrigation and for stockwater/commercial purposes.
5. Upon specific notification of the Department, the right holder shall install and maintain data loggers to record water usage information at the authorized points of diversion in accordance with Department specifications.
6. Right holder shall comply with the drilling permit requirements of Section 42-235, Idaho Code and applicable Well Construction Rules of the Department.
7. Prior to the diversion and use of water under this approval, the right holder shall comply with applicable county zoning and use ordinances.
8. Prior to the diversion and use of water under this approval, the right holder shall comply with applicable water quality permitting requirements administered by the Department of Environmental Quality or the Department of Agriculture.
9. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.
10. The right holder shall accomplish the change authorized by this transfer within five years of the date of this approval.
11. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.

This water right is subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
