Attachments: correction for locations on ditch & wells.xlsx; Ditch legal.pdf

Hi Jana,

Sorry we couldn't catch up. I received your voice mail, however. Attached is a new copy of the location pdf for the ditch (good grief, I'm an idiot).

Also attached is a spreadsheet with the recharge wells on it. These wells have current applications in Boise UIC Program. I also included the locations of the ditch in sections 3 and 4.

Thank you for yor help.

Brian
