RE: LEGALS FOR RECHARGE DITCH

Dear Ms. Reeder,

Please find attached a spreadsheet with the legal locations of the SWID recharge ditch. As we discussed on the phone the ditch is approximately 30 feet wide and is centered between the sections. According to your instructions I placed an "X" in the QQ boxes of the sections designating the location of the ditch.

In addition, I have some information concerning the contact address for SWID. The address is:

SWID  
PO Box 668  
Burley, Idaho 83318

This box belongs to Parsons Smith and Stone but it also the SWID mailing address. The board picks up their correspondence from there. I will correct the permit application and send it to you as soon as possible.

Thank you.

Sincerely,

*Brian Higgs P.G.*
