CONDITIONS OF APPROVAL

- The pond established by the storage of water under this right shall not exceed a total capacity of 14.4 acre feet or a total surface area of 12.2 acres.
- This right authorizes the diversion of an annual total of 39.1 af to be used for the annual filling of the pond, and for the replacement of losses caused by evaporation from the pond.
- Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 29-D.

WATER RIGHT NO. 29-13921
As Modified by Transfer No. 75944

CONDITIONS OF APPROVAL

4. A lockable device subject to the approval of the Department shall be maintained on the diverting works in a manner that will provide the watermaster suitable control of the diversion.
5. The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion(s).
6. This right when combined with all other rights shall provide no more than 3.5 afa per acre at the field headgate for irrigation of the lands above.
7. The approval of this transfer redefines all of the elements of this water right, and the new use of water authorized by this approval shall constitute the full extent of the right.
8. The right holder shall accomplish the change authorized by this transfer within one year(s) of the date of this approval.
9. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.
10. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.

This water right is subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
