Re: Receipt Date for Proof of Beneficial Use

Proof was inadvertently acknowledged on 11/13/2009 without a signature from the permit holder. On 11/18/2009 IDWR received the permit holders copy signed and dated. I adjusted the proof received date in the database to reflect the 11/18/2009 received date. I am sending a letter to the permit holder thanking them for catching our oversight, and letting them know that the proof received date has been changed. I enclosed a new copy of the form for their records.
