RE: NOTICE OF CHANGE OF WATER RIGHT OWNERSHIP FOR
WATER RIGHT NUMBER(S) 34-10314 and 34-10315

Dear Interested Parties:

Our letters of September 24, 2007, October 17, 2008, December 12, 2008, March 6, 2009 and May 21, 2009 (copies enclosed) requesting additional filing fees in the amount of 150.00 and a chain of recorded deeds back to the ownership of Olive and Fred Waddoups to complete the change in ownership remain unanswered. Therefore, I am returning the Notice of Change in Water Right Ownership request. Copies of your ownership change request information will be kept in our files for reference.

Our department has processed the ownership changes for 34-10218, 34-13831 and 34-1833 where we had all the information and fees to complete those. You will be receiving an acknowledgement letter and a computer generated proof report showing your ownership in those water rights as soon as possible.

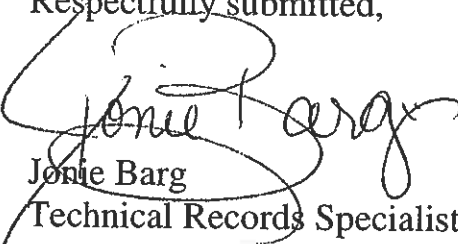

Our records indicate you have paid a total of \$275.00 as shown on receipt number E033292. The fee to process the ownership change for 34-10218 (did not require a split), 34-13831 (Split) and 34-13833 (Split) was \$225.00. Therefore you would be entitled to a \$50.00 refund. That request has been submitted.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed.

If, at a later date, you wish to reinstate this request you may send the enclosed ownership change request form along with the required information and fees and we will be happy to complete the request for you.

If you have any questions about this matter feel free to contact Jonie Barg at (208) 525-7161.

Respectfully submitted,

Jonie Barg
