Roxanne,

Transfer # 74947 Gold Fork Irrigation Co LTD and Permit Application 65-23306 Gold Fork River Ranch LLC have not been rejected or voided respectively. The Department will delay processing of these two applications until 9/28/09, per your request. If the amended applications are not received by that date, the Department will reject the transfer application and void the permit application. Thank you for updating me on the status of these two applications during our phone conversation this morning. I look forward to your submittal of the amended applications.

Thanks,
Angie
