RE: Ownership Change on 7.7-acre parcel

Dear Mr. Gardner,

Enclosed are the Ownership Change documents we spoke about yesterday. As you recall, there are eight water rights that need to be split in order to change the 7.7-acre portion that you purchased from Gillette into the name of the Gardner Trust.

Please look over the form; make any needed corrections, and then you and your wife sign Item #7 on page 5.

Splitting rights requires a fee of \$100.00 per right, so as soon as we receive the signed Ownership Change Form along with the copies of the deed and a check for \$800.00, we will get the portion of each right changed.

(The copies of the other rights which are enclosed refer to the other 354-acre parcel you purchased from Gillette and which have already been changed to the Gardner Trust.)

If you have any questions, feel free to give me a call at the office.

Sincerely,

Jeanie Robertson
Senior Water Resource Agent
