Re: Petition for Re-Consideration

Dear Ernie:

We reviewed John Lezamiz's submitted transfers with him this afternoon and are requesting a Petition for Re-Consideration on them.

In addition to this petition request, these are items of concern:

1. clarification on the Point of Diversions for Water Rights 34-14007, 34-14009 and 34-14011
2. a change of date for the beneficial use on 34-14011 we think should be 5/01 – 10/15 - *make change* -
3. clarification as 3 Points of Diversion are listed on the application for 34-13949 and only one is on the Water Right

We appreciate your time and assistance with this transfer and our additional questions. Please feel free to contact myself or Erick Powell with any questions you may have.

Sincerely,

Ann Pool, Hydrologic Technician
