Re: Rescindment of 3 Approved Water Right Transfers:
#74000, #74013, #74664

Dear Mr. Carlson :

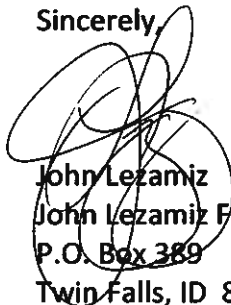

With notice of this letter, I would like to rescind three (3) approved water right transfers: #74000, #74013 and #74664

I would like the water to remain as it has been, and not be changed as per the requirements of the above transfers.

Your time and help has been greatly appreciated with these transfers and other water right needs, as we continue to move forward with our farm land and irrigation.

Please feel free to contact either myself or Erick Powell, with any questions you may have.

Sincerely,

John Lezamiz
