**Re:   *Gem Irrigation District***  
***Water Right Application 02-10416***

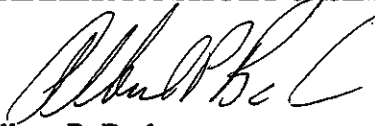

Dear Fred:

The Gem Irrigation District is prepared to modify the boundaries of the Place of Use for Water Right No. 02-10416 to conform with the modifications to the boundaries for water rights 2-64 and 2-65 contained in the amended recommendations the Department of Water Resources just issued. I believe these changes to the POU were acceptable to the Bureau of Land Management for Water Rights 2-64 and 2-65. If so, then modifying the boundaries of 2-10416 to conform to those boundaries in 2-64 and 2-65 also should meet the needs of the BLM.

Please let me know if we are in agreement on the POU boundaries now and if modifying the POU on this right as was done on the other two rights meets with the approval of the BLM.

Very truly yours,

**BARKER ROSHOLT & SIMPSON LLP**
