Gary,

In order for your address to be updated, the department requires a signature of the permit holder.

Can you either include a written request or print this email and sign the page by your request.

Thank you,
Emalee

Emalee, I am mailing you payment today \$50.00, my apologies for not including the check. I would like to change my contact address to P.O. Box 142, Ek City, ID 83525. I am requesting a 5 year extension. Thank you for your help.

Gary,

I just realized I told you it would be ok to call back tomorrow and I will not be in the office.

The mailing address for the payment of the \$50 fee for an extension is:

IDWR
Attn: Emalee Rushing
PO BOX 83720
Boise ID 83720-0098

Please:

Reference the permit number and that the fee is for an extension of time.

Send in clarification as to which address you would like to have as your mailing address.

Make note of the change in your request from a two year extension to a five year extension.

In order for your request to be considered timely, the department must receive the fee on or before Nov. 2, 2009.

Thank you,
Emalee Rushing
