RE: Water Right No(s): 65-13241 and 65-6464

Dear Water Right holder(s):

Thank you for the Notice of Change in Water Right Ownership you recently resubmitted to our office. We now have the correct information to process your request. However, we cannot continue to process the request without the appropriate filing fee.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership for rights that have been decreed in the SRBA. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have received a partial payment, but need another \$25 to continue with this request. Enclosed is a receipt for the monies paid to date.

Because the Department cannot process the request for Notice of Change in Water Right Ownership without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. Feel free to contact our office if you have any questions concerning this letter at 334-2190.

Sincerely,

Jean Hersley
