

MEMORANDUM

Date: October 14, 2009
To: Transfer 76021 File
From: Corey Skinner
Re: Evaluation of Sufficiency of Information Submitted

Transfer proposes slightly modifying the place of use of water right 36-16702. This right is appurtenant to pivot corners on a farm located approximately 14.0 – 15.0 miles north and 2.5 - 3.0 miles east of Rupert. Note that water right 36-16702 was recently involved in transfer # 75334 (approved July 1, 2009). The well that serves as the point of diversion for right 36-16702 is located within the ESPA and Water District 130. Due to no anticipated hydrologic impacts, it is recommended that this application be processed without advertising.

- **Authority to File:**
The applicant, Cory Thain, is listed as the owner of water right 36-16702 according to IDWR records. The application includes a copy of a document signed by Cory Thain granting Greg Thain the right to represent and sign on his behalf regarding his farm including water rights.
- **Water Right Validity:**
The right involved with the transfer has been decreed in the SRBA and was recently involved in transfer # 75334 (approved July 1, 2009).
- **Injury to Other Water Rights:**
None anticipated. There is no proposed change in point of diversion only a slight modification in the place of use.
- **Enlargement of Use:**
None anticipated.
- **Local Public Interest:**
No issues anticipated.
- **Beneficial Use/Conservation of Water Resources:**
Proposed use is recognized as a beneficial use of water. Sprinklers are utilized for irrigation.

Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
