PROOF DEFICIENCY LETTER

RE: PERMIT NO. 63-31969

Dear Permit Holders:

Enclosed is a copy of the Proof of Beneficial Use ("proof") form you filed with the department on October 23, 2009. This letter is to inform you that the proof statement you submitted to the department references a \$200.00 fee as being enclosed, however only a \$50.00 fee was included with your statement of completion form.

The license examination fee is based on the maximum rate of diversion that was developed, and is for the department to conduct a beneficial use field examination of the water system to verify its use. Based on your maximum diversion rate of 5.00 cfs, the licensing examination fee is \$200.00. Please submit the additional \$150.00 licensing exam fee required. Upon receipt of the additional filing fee due the department will be able to process your proof of beneficial use and reinstate your permit.

I will hold this matter for your response for fifteen (15) days from the date of this letter. I have enclosed the instructions for filing proof and the filing fee schedule.

If you have any questions, please contact me at (208) 287-4945.

Sincerely,

Darla Block, Technical Records Specialist
