Re: Change of Ownership

Water Right is for .04 cfs for Domestic located within the NESW of Section 17, Township 3N, Range 45E. Conditions of approval indicate that the property address for the water right is 971 Aspen Ln and parcel number RP000020000350.

On August 17, 2009 I spoke to Eric at Teton County GIS, he verified that 971 Aspen Lane is connected to Parcel Number RP000020000340 not RP000020000350. He also verified that 971 Aspen Lane changed to 9715 Little Pine Lane which is also PR000020000340 or Lot 34 Aspen Grove Subdivision. According to the map attached Lot 34 appears to have a home on the property. Lot 35 does not.

With this new information the water right conditions was changed as follows:

- ❖ Parcel number RP000020000350 changes to RP000020000340 to match the parcel number connected to address 971 Aspen Ln now known as 9715 Little Pine Ln
- ❖ Also added was 971 Aspen Ln now known as 9715 Little Pine Ln
- ❖ Place of Use updated to reflect the same
