RE: Permit No. 96-9287

Dear Mr. Bogard:

The Department of Water Resources acknowledges receipt of your Assignment of Permit. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

✓
Notarized Signature for Assignment of Permit

I am returning your assignment of permit because the Department cannot process the ownership change without the form being notarized. Please submit the completed, notarized form and we will update the ownership of the above referenced permit.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Emalee Rushing
Office Services Supervisor
