RE: Change in Ownership Water Right 95-461

Dear Applicant:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership for the above referenced water right. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

X **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document, including legal description, indicating your ownership of the property and/or water rights in question.

The quitclaim deed dated 9/25/1989 from Shirley R. Peterson to Rainbows End Water Association was received without Exhibit A. Exhibit A is needed for proper evaluation of this deed. Also, because Terence G. McMahon is the decreed owner, legal documentation, such as warranty deeds, showing the chain of title are needed to determine if water rights were excluded from any of the conveyances. If water rights were conveyed to individual lot owners, then the water right may need to be split.

The Department cannot process the ownership change without additional documentation. We will hold your application for 30 days pending receipt of the necessary information. If we do not receive the documentation within that time, your notice and attachments will be returned unprocessed.

Please feel free to contact me at 208-287-4953 or dayna.ball@idwr.idaho.gov if you have any questions regarding this matter.

Sincerely,

Dayna M. Ball
