Attn: Keith E. Franklin, Senior Water Resources Agent

Dear Keith,

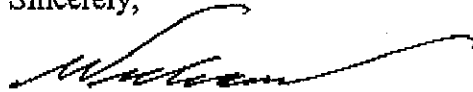

As a follow up to our phone conversation yesterday I am faxing a total of 5 pages including this cover letter regarding the Rainbow's End Water Association.

I obtained this information yesterday from one of the members of the Association and hopefully this will clarify our existing water rights. Our current application is primarily for the replacement of an existing water line.

After your review of this information please feel free to contact us with any questions or comments that you may have.

Thank you for your help.

Sincerely,

William Wilson
