Chuck,

These transfers are ready for advertising, finally, but we noticed that one (75353) was filed with an address of 450 E 3950 N, Castleford, Idaho 83321 and the other (75352) was filed with an address of PO BOX 665, Castleford, Idaho 83321-0665. Shouldn't they both have the same address? Please clarify if they should have different addresses or which one to use if they should have the same. Thanks, Jeanie
