Subject: Riverside Village transfer for new P/D

Gene:

This is to let you know that Riverside Village Homeowners Association transfer application for the new P/D upstream from Glenwood Bridge is being advertised the first two weeks of July.

Comment letters will include the Corps per our recent talks.

The file is at Sue's desk if you want to add anything to it. You can send her an email to put in the file if you prefer that method.

WR # 63-9751
Transfer # 69237.

Thanks.

Steve
