Re: Application for Amendment of Permit No. 37-21297

Dear Applicant:

The Department of Water Resources acknowledges receipt of your application for amendment of a permit as referenced above.

This office has scheduled the advertising of your application in the **Times News, Idaho Statesman, Lewiston Tribune and Post Register on 10/8 & 10/15/09**. The advertisement will be published for two weeks, and a period of ten calendar days following the second publication will be allowed for the submittal of protests. **(October 26, 2009)**

If the application is protested you will be sent a copy of the protest. The protest must be resolved before the application is approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

If the application is not protested, a final review will be conducted by our State Office. You will be notified of any action taken on the application.

Please feel free to contact this office if you have any questions regarding this procedure.

Sincerely,

Mary A. Baldwin
