Re: Water Right #37-10932

Dear Water Right Holders,

The Department acknowledges receipt of correspondence changing ownership of the above referenced water right. The Department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

In researching your water right, I came across a problem with the legal description for the Place of Use and Point of Diversion. The problem originated in the initial claim for the water right. Ruth Steven's property is located in T06S R13E Sec 8 SE1/4 (see enclosed map), but was listed on the claim as T06S R13E SEC 08 NENW.

To correct this error you can do one of two things:
Apply for a transfer for the place of use with the Dept. (\$100 fee)
or Request for a Motion to Set Aside with the SRBA Court (\$0 fee).

If you decided to do the transfer, any water right agent at this office will be able to help you. Please call for an appointment.

If you decide to motion the court to set aside, you send a letter to the SRBA Court explaining you are the new owners and it was found out that the place of use and point of diversion on the claim was incorrect, etc.

The address is : SRBA COURT
253 3rd Ave N
Twin Falls ID 83301

If you have any question please contact me at the Dept (208) 736-3033

Sincerely,

Carrie Hahn
Clerk
