Re: Application For Permit to Appropriate the Public Waters of the State of Idaho,
Ken Gimbel, Jon Schwartz and Ann Clevinger, #75794

Gentlemen:

The Idaho Department of Water Resources is returning the above said application for the following minor corrections.

Item #3 Location of Point of Diversion

Department records indicate the point of diversion or well is located within the NE $\frac{1}{4}$ of the NE $\frac{1}{4}$ of Government Lot 1 instead of the SW $\frac{1}{4}$ of the NE $\frac{1}{4}$ of Government Lot 1. Please make the necessary change on the application.

Item #9 Place of Use

Again, department records indicate the place of use is within the NE $\frac{1}{4}$ of the NE $\frac{1}{4}$ of Government Lot 1 rather than the NW $\frac{1}{4}$ of the NE $\frac{1}{4}$ as stated on the application. Please make the necessary change.

Once the changes have been made, please send the document to me within the next 30 days so as not to delay processing. If you have any questions, feel free to contact me at this office.

Sincerely,

Keith E. Franklin
