RE: Change of Ownership for Water Right 43-13599 and 43-13600

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

Please note that the ownership of water right 43-10492 was **NOT** changed. The deeds submitted did not include the NESW quarter where that water right is located. I have requested a refund of \$25.00 for the Change of Ownership and \$25.00 for the Notice of Security Interest which D. L. Evans Bank should receive soon. If 43-10492 is your water right, please resubmit the Change of Ownership form and Notice of Security Interest form along with the proper fees and deeds which include that property.

As of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Sandy Egbert
GIS Specialist
