Conditions/Remarks:

1. The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.
2. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.
3. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 65.
4. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.
5. The following rights are diverted through point of diversion described above: 65-403A, 65-403X
6. This right when combined with all other rights shall provide no more than 0.02 cfs per acre nor more than 4.5 afa per acre at the field headgate for irrigation of the lands above.
7. Rights 65-403A and 65-403X are limited to the combined irrigation of 8,380 acres in a single irrigation season.
8. This right is limited to the irrigation of 8,380 acres within the boundaries of Noble Ditch Co. in a single irrigation season.
9. The boundary encompassing the place of use for this water right is described with a digital boundary as authorized by Idaho law. The data comprising the digital boundary are stored in the electronic document management system of the Department and are incorporated into this approval by this reference. A map depicting the place of use is attached to this approval document to illustrate the place of use described by the digital boundary.
10. The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion(s).

Documentation of Ownership of the Current Place of Use

Is this property subject to any liens, deeds of trust, mortgages, or contracts or other encumbrances?

NO

Describe the affect on the current place of use for this water right if the place of use is changed pursuant to this transfer

No change, water will continue to be used on all lands served by Noble Ditch Co.

To your knowledge, has any portion of the water right undergone a period of five(5) or more consecutive years of non-use?

NO
