RE: Change of Ownership for water right 96-7744

Dear Water Right Holder(s):

We have received your Change of Ownership form but we need additional information before we can process the change of ownership.

The place of use of the water right is described as the SWSW and SESW of township 57N range 03W section 29. The deed you submitted with the change of ownership covers the SWSW and the west half of the SESW. According to the tax lot information we have, you also own the east half of the SESW. If this is correct, we need a copy of the deed for the east half of the SESW.

If you do not own the east half of the SESW we will need to split this water right. The fee for splitting a water right is \$100.00. You have already paid \$25.00 so we would need an additional \$75.00.

We cannot process this change of ownership without proper documentation or fees. We will hold any action on the change of ownership until we receive either the requested documentation or fees. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact me if you have any questions.

Sincerely,

Sandy Egbert
GIS Specialist
