Please find attached a package for change of water right ownership. The subject property was acquired by Nez Perce County under a Hazard Mitigation Grant from the Federal Emergency Management Agency (FEMA). The sellers (Baugus) had water rights (#85-07163) with their property. The attached deed conveys title to these water rights, since these rights were not specifically reserved.

If you have any questions, please contact our Office of Emergency Management at 799-3084.

Thank you for your assistance.

Sincerely,

Board of County Commissioners
