RE: Change in Ownership Water Right 97-7091

Dear Applicant:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership for the above referenced water right. Our review of your notice indicates that additional information is required before we can process the change.

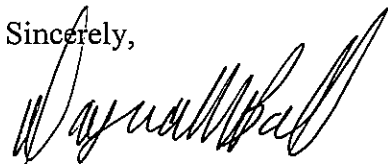

X **Chain of Title**

A quitclaim deed was received with your application (copy enclosed). Because the current water right owner is Frank H Anselmo Jr., a chain of title leading to the conveyance to Kaniksu Enterprises is needed to continue the ownership change review. The chain of title must be legal documentation such as warranty deeds and should include legal descriptions

The Department cannot process the ownership change without additional documentation. We will hold your application for 30 days pending receipt of the necessary information. If we do not receive the documentation within that time, your notice and attachments will be returned unprocessed.

Please feel free to contact me at 208-287-4953 or dayna.ball@idwr.idaho.gov if you have any questions regarding this matter.

Sincerely,

Dayna M. Ball
