Dear Steve,

Enclosed on behalf of DDR Nampa LLC, is an *Application for Transfer* to change the irrigation place of use and point of diversion on a portion of water right No. 63-8737. The application is signed by Timothy J. Bruce, Executive Vice President of Developers Diversified Realty Corporation, the sole member of DDR Nampa LLC. Attached to the application are two identical contracts of sale for the water right; one signed by the transfer applicant and the other signed by the water right owner. The contract includes a copy of the most recent water right record and a copy of the special warranty deed that will be used to convey the water right when the sale is complete.

Also attached is a current split analysis for the water right. Please note that the "Bodily" 9-acre portion refers to a separate transfer that was submitted to IDWR September 25, 2008.

The \$250 fee for this application is enclosed. Please let me know if there are any questions.

Sincerely,

Roxanne Brown
