Re: Notice of Security Interest in a Water Right for Water Rights # 29-10930,

Water Right Application #41-7080

Dear Party Holding Security Interest:

The Department of Water Resources acknowledges receipt of the Notice of Security Interest in a Water Right you recently submitted on the above water rights. The Department has modified its records to reflect the security interest and has enclosed computer-generated reports for your records.

Please notice that the water rights and application are still in the name of Vicki and William Meadows. I have enclosed a *Notice of Change in Water Right Ownership* form and an *Assignment of Application for Permit* form. Could you please forward these forms to Matthews Idaho Falls LLC? I am unable to find a mailing address for them.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owners of a water right to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department or on the Department's website.

Please feel free to contact this office with any questions you may have.

Sincerely,

Carrie Hahn  
Clerk
