

MEMORANDUM

Date: October 13, 2009
To: Water Right File 11-7616
From: medl
Re: POU

Updated PLS

The initial claim was internally inconsistent; the mapped place-of-use location did not match the grid location for the place-of-use. I corresponded with the claimant and pointed out the inconsistency. The claimant submitted an amended claim and I created the current place-of-use shape based on that amended claim.
