Kathy

Thanks for the information. I'll put a note in the claim file.

Mr. McCann had a couple of these diversions planned. I processed two of them several days apart but both had similar issues (the points of diversion were unclear).

I particularly appreciate your willingness to act as liaison with IDWR for Mr. McCann.

Hi Michele,

Mike brought in a letter that you had sent him 9/28/09 regarding his diversion for instream stockwater use:85-15698.

I was assisting Mike on this spring development and it was decided that it would not be developed due to lack of elevation.

If you have any questions, feel free to call.

Thanks,

Kathy Elliot
