RE: Change of Ownership for Permit No. 63-31859

Dear Permit Holder:

The Department of Water Resources acknowledges receipt of the assignment of permit for the above referenced water right permit. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

Also enclosed is a copy of the notice sent out on August 31, 2009 to Lochsa Falls, LLC. In order for this permit to maintain active status, a response is required by November 1, 2009.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

A handwritten signature in cursive script that reads "Emalee Rushing".
