Dear Mr. Keen,

Fernan Estates Corporation is in agreement with Kootenai Environmental Alliance on requesting a modification to Water Permit No. 95-9323 in order to better reflect the understanding of Number 4, Page 1 to say: "The average daily diversion volume (based on annual usage) for this municipal right shall not exceed 100 gallons for the common area and 900 gallons per home that has been constructed."

Thanking you in advance for handling this matter promptly.

Sincerely,

Randy McKahan

Sec./Tres.

Please see attached document requesting language modification to permit #95-9323. We agree with Kootenai Environmental Alliance in this modification. I will mail a signed copy. Because this is time sensitive, could you email back to me a scanned copy of the revised permit? I will call you to confirm you receiving this email. If you have any questions, my cell number is 208-661-9356

Thanks in advance for your prompt help.
