Good Afternoon Irene!

I found the Notice of Security Interest you are inquiring about and it looks like that Security Interest is still being held because the department is waiting on additional information. It appears we received the Security Interest on August 7, 2009 with the required fees, however there were no documents attached for evidence of Security Interest (recorded Deed of Trust or Mortgage). On August 7, 2009 our department sent a deficiency letter indicating additional information was needed. On August 17, 2009 we received a Mortgage that was not recorded so our department contacted Tiffany and she indicated she would be sending the recorded mortgage, but our department has not yet received that document.

Thank you for giving me the opportunity to serve you. If you have any additional questions please do not hesitate to contact our office at the number listed below or feel free to email me anytime.

Thank you,

Jonie Barg
