Dear Party Holding Security Interest:

The Department of Water Resources acknowledges receipt of correspondence adding security interest of the above referenced water rights to you. The department has modified its records to reflect the change in security interest and has enclosed a computer-generated report for your records.

Water Right No. 63-4327 was Disallowed in the Snake River Basin Adjudication and is no longer a valid water right, therefore, this right was not updated.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department or online www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
