RE: Notice of Change in Water Right Ownership No(s). 63-8531

Dear Interested Party(s):

The Department of Water Resources acknowledges receipt of the Notice of Change in Water Right Ownership. Our review of the notice indicates that additional information is required before we can process the change.

Water Right No. 63-8531 is an irrigation right for the NE quarter of Township 04N, Range 05W, Section 3. The grant deed you provided only covers Lot 1, which is the NENE quarter in the above mentioned legal description, and the SENE quarter. We need to have a deed that includes the NW ½ of the same legal description in order to complete this request. If you cannot provide the proper information, this water right will have to be split and we will need more fees to process this. The additional fees would be \$75.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on this notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return the notice and all attachments and the notice will not be processed.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jean Hersley
