Jean:

Can I have an additional 30 days to obtain this requested information? Ray Obendorf is traveling and I was hoping to obtain a deed signed by him on behalf of Rim Ranches to address this matter.

Thank you,
Dana Hofstetter

Dear Dana,

I am responding to your letter dated July 10, 2009 in regards to the Notice of Change of Ownership for Water Right No. 63-8531. After speaking with a Senior Water Right Agent, it was determined that the Department cannot change the ownership on Water Right No. 63-8531 without additional deeds that cover the entire water right, or a statement by both parties (current property owner and water right owner) stating a portion of the water right was not included in the sale of that piece of property (Lot 2 (NWNE) SWNE of Section 3).

If you cannot provide this information, we will split the water right between Rim Ranches, Inc and G O Investments, LLC. The additional fees for the split would be \$75.

Because the Department cannot process the ownership change without the

proper documentation, we will hold any action on this notice pending receipt of the necessary information. If we don not receive the information within 30 days we will return the notice and all attachments and the notice will not be processed.

Please feel free to contact this office if you have any questions regarding this matter.
