Dear Corey,

This letter is in reference to the water right transfer which was filed by Loughmiller Inc. for hog operation by Brockway Engineers. The transfer is now in my name (John Reitsma) and I have changed the nature of use to commercial (dairy operation) domestic and livestock use. We have added place of use for the stock water.

The address needs to be changed to **John Reitsma, 3586 US HWY 93, Twin Falls, Idaho 83301**

Please amend the application according to the above information.

Please take what ever steps necessary to process this transfer.

Thank you,
