CONDITIONS OF APPROVAL

1. Proof of application of water to beneficial use shall be submitted on or before **October 01, 2014**.
2. Subject to all prior water rights.
3. A map depicting the place of use boundary for this water right at the time of this approval is attached to this document for illustrative purposes.
4. Place of use is within the service area of Groveland Water & Sewer District, as provided for under Idaho law. The place of use is generally located within Section 28, 29, 32, 33, Township 02S, Range 35E and Section 5, Township 03S, Range 35E.

State of Idaho
Department of Water Resources**AMENDED Permit to Appropriate Water AMENDED**

NO. 35-13918

5. This municipal right is for in-house use in 142 homes and does not include lawn, garden, landscape, or other types of irrigation.
6. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 120.
7. Prior to diversion of water under this right, the right holder shall install a lockable device, subject to the approval of the Department, in a manner that will provide the watermaster suitable control of the diversion.
8. Prior to diversion and use of water under Permit approval 35-13918, the right holder shall install and maintain acceptable measuring device(s) at the authorized point(s) of diversion, in accordance with Department specifications.
9. Upon specific notification of the Department, the right holder shall install and maintain data loggers to record water usage information at the authorized point(s) of diversion in accordance with Department specifications.
10. Prior to the diversion and use of water under this approval, the right holder shall comply with applicable water quality permitting requirements administered by the Department of Environmental Quality.
11. Prior to or in connection with the proof of beneficial use statement to be submitted for municipal water use under this right, the right holder shall provide the department with documentation showing that the water supply system is being regulated by the Idaho Department of Environmental Quality as a public water supply and that it has been issued a public water supply number.
12. This right does not grant any right-of-way or easement across the land of another.
13. Project construction shall commence within one year from the date of permit issuance and shall proceed diligently to completion unless it can be shown to the satisfaction of the Director of the Department of Water Resources that delays were due to circumstances over which the permit holder had no control.

This permit is issued pursuant to the provisions of Section 42-204, Idaho Code. Witness the signature of the Director, affixed at Boise, this 5 day of October, 2009.

for Ernest Carlson
GARY SPACKMAN, Interim Director

Idaho Department of Water Resources
