Re: *Junayo Ranch Ltd. Application for Permit No. 57-07610*

Dear Fred:

This letter is in regards to the Bureau of Land Management's (BLM) protest of the above-named application for permit.

On September 3, 1998, a prehearing conference before Gary Spackman, a Department Officer, was held. During this conference Junayo Ranch and the BLM reached an agreement; Junayo Ranch would stipulate that the BLM would hold title to the 17 acre water right so long as the Cooperative Agreement was not terminated. Once the Cooperative Agreement terminated, the BLM's title to the 17 acre water right would terminate and the 17 acres of BLM land would revert to desert again.

It is my understanding that the BLM is going to provide Junayo Ranch a draft amendment to the Cooperative Agreement providing for the parties September 3, 1998 agreement.

At this time I have not received a draft amendment from the BLM. Please contact me at the above-stated number so that we can move forward in resolving this matter.

Very truly yours,

Lori A. Dingel
