RE: Assignment of Application for Permit

Dear Interested Parties:

At this time the Department of Water Resources is reviewing application for permit 57-7610 for continued processing. During my review, it appears this application can move forward towards approval, with the exception of your request for an Assignment of Application for Permit.

The department is in receipt of your Assignment of Application for Permit form to designate 17 acres to the Bureau of Land Management (BLM). To process your request, the form needs to be notarized and should include the relationship Owen H. Orndorff (assignor of the application) has to Junayo Ranch (applicant). I have enclosed the original request with this letter for your convenience.

You can reach me at 208-287-4944 if you have any further questions.

Sincerely,

Cherie Padilla, Water Resource Agent
Water Allocation Bureau
